"Realise Your Property's Full Potential"

Studio3

An Architectural + Interior Design Practice with an extensive knowledge of Listed Buildings and contemporary building techniques.

We offer a full range of Architectural Design services and carry out work throughout the UK and further afield if required.

Our Architectural and Design services include:

- Planning Applications
- Building Regulations
- Listed Building Consent
- Tender Specifications
- Renovation Projects
- New Build Projects
- Extensions
- Interior Design Schemes
- Project Management

For an informal discussion about how we can help you, or for more information, please telephone or visit our website.

The Gallery

An ever-changing, carefully chosen collection of new, Antique, Vintage, Retro and "one-off" pieces, by well known 20th Century Designers from around the world including designs by Robin Day, Harry Bertoia, Sigurd Ressel, Ingmar Relling and Hans Wegner to name but a few.

The pieces are extremely well made, timeless and design-led; re-using them in a modern context will bring a sense of style to the spaces in which we live today, whether that is traditional, contemporary or minimalist.

Here today, gone tomorrow...

We would suggest that to avoid disappointment, you contact us as soon as possible if you see something you like. If we do not have something that you are looking for, please contact us as we will be able to source it for you.
